Parent Family Engagement Plan Summary

2019-2020

Parent Involvement

Conniston Middle recognizes the importance of forming a strong partnership with parents and community members in order to positively impact the students in our school. To promote effective parent involvement, the staff at CMS welcomes input from parents and community members and encourages them to join us in the activities outlined in this plan. We will work with parents as equal partners in the educational process.

Parent Involvement Activities

Based on parent survey input, we will provide the following activities to assist parents in understanding the state curriculum and assessments to help parents improve their children's academic achievement:

Shared Decision Making

Through the school's SAC, parents will review and give input while writing the school's Parent Family Engagement Plan (PFEP) and evaluate the plan annually. Parents will also give input in writing the

School-Parent Compact. Parents will review the Title I Family Involvement Survey results to determine necessary changes. Use of parental involvement funds will also be discussed. Parents will receive information in a timely manner and will be informed of student curriculum and assessments.
